

## Meeting notes for Sunset Soccer League Meeting 09/14/2010

Attending teams:

Phoenix, Balboa, Belmont Shore, Mediterranean, GG, Artesia

Missing: Last Chance, La Academia, Cuscatleco, HBSC,

Ader informed the group that Guatemala Old Stars were dropping out for this season. There was considerable discussion around adding a new team. We currently have ten teams. There are two teams that have expressed an interest in joining the Sunset Soccer League. The board decided, due to field availability, that we could only accept one team. We are going to play the first round with the current ten teams and then add one of the interested teams for the second round. This will extend the round one week and add a bye each weekend.

The first round schedule was presented. For the last two weeks, 11-7-2010, 11-14-2010 we will be back to Pacific Standard Time. The 3:40 game will be very difficult to get a full game played before it gets dark. It was suggested that we try to get a field at Norwalk at Los Alisos Middle School.

We voted to change the minimum age to play. As of 09/14/2010 players must be born in 1960 or before to be eligible to play.

The final item discussed was making new ID cards for all players. We decided to do one team a week. Each player **MUST** present a league approved valid ID. **ALL OLD PLAYER ID's MUST** be surrendered when the new cards are given out.

If anyone has additions or corrections to these minutes, **PLEASE** let me know as quickly as possible.
