There appears to be a misunderstanding about yellow cards for Goalies. There is no exemption for Goalies. If they get a yellow card they must go off the field for the ten minute suspension time period. This is spelled out in Law VII of the League's By-Laws.

## Article VII

1. Free and unlimited substitution on any dead ball and with the referee's permission.
2. Yellow carded player **MUST** sit out for ten minutes and **MAY** be substituted for.
3. Red Carded player **MAY NOT** be substituted for. His team will play short.
